

Studio VaVaVoom Covid-19 Protocol

Studio Classes:

- Classes are to enter through the back door and exit through the front door.
- Teachers are to keep the back door locked until the previous class has exited and the studio has been cleaned.
- Everyone will have their temperature taken prior to entering. Anyone with elevated temperature (100+) will not be permitted inside.
- Everyone who enters must wash hands or use sanitizer as they arrive and before they leave.
- Classes will not have more than 9 students and 1 instructor in the studio at one time.
- No physical contact with each other.
- No cups for the water are provided, please bring a container, or water bottles will be available for purchase.
- No more than 1 person in the dressing room at a time. Please spread out around the perimeter of the room to change and store your stuff.
- Students can access the class remotely via a zoom meeting if desired. Online classes will happen at the same time as in person classes.
- No hand towels in the bathroom, those will be temporarily repurposed to cleaning towels.
- Sitting on the floor and leaning against the mirror will be discouraged
- Masks are very strongly recommended, however NOT mandatory.

Shows/Club Red:

- **Face Mask Required** (masks available at the door for \$2)
- Upgraded our AC filters to medical grade
- Ionizers to clean the air
- Hand sanitizer stations located throughout the venue
- Seating capacity reduced to 50%
- 6FT social distancing rules are in effect
- All seats, tables, chairs and high touch areas thoroughly disinfected
- Hugging & handshaking is discouraged
